

Hi!

Thank you so much for applying for OZ Venture 2021. Our Team have been working extremely hard and we can't wait to see you in January.

Now that you have registered and made your initial payment, it's time to look at updating your application and making progressive payments.

Everyone has the ability to pursue one of two payment options:

1. Full payment upfront
2. Progressive payments split into 4 instalments
 - Payment 1: Payment of Contingent fees +10% (Due by 31st May 2020)
 - Payment 2: Payment of all Flights +10% (Due by 31st July 2020)
 - Payment 3: Payment of Expedition (Due by 30th September 2020)
 - Payment 4: Balance (Due by 15th November 2020)

We are extremely aware of the current climate and the constant daily changes that COVID-19 brings. Indeed, many people close to the event have lost employment and/or been significantly affected in other ways. To help reduce the pressure in our current climate we;

1. Have moved the no penalty refund date back to Monday the 3rd of August 2020. Ensuring that you will have access to a full refund up until that date.
2. Are able to offer alternative payment plans to those who are experiencing financial difficulties

Due to the current climate, there is a chance our vendors may change in the coming months. We are working to reduce the influence on our program and experience. However, we will ensure to notify you of any major changes. We endeavour to have an experience that every eligible Scouting Members can look forward to at the end of the year.

To update your application and make payments you will need to do this via the My Venture portal or My Venture app. To access the portal go to <https://bit.ly/2021VentureApp> or to use the app, launch your preferred mobile device (phone or tablet) and follow the steps below.
